

# Hole by Hole Layout: The Lakes

## Course Layout:

18 Holes | 6,595 Yards | 71.9 Rating | 122 Slope |  
Par 72 | 29 Bunkers

## Front Nine:

---

Hole 1  
Par 4  
Yardage 375

Hit the ball down the left side to avoid trouble and leave an open shot to the green.

Hole 2  
Par 4  
Yardage 406

This hole calls for a tee shot down the left side to avoid the fairway bunkers.

Hole 3  
Par 3  
Yardage 154

Keep the ball to the right on this hole. The best place to miss is short right.

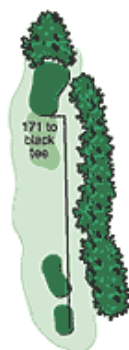

Hole 4  
Par 5  
Yardage 564

Play your tee shot slightly to the left. Don't go too far as the waste area is not a bad place to play from.

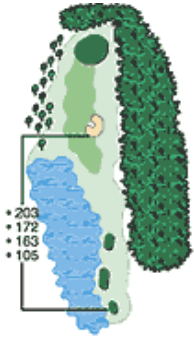

Hole 5  
Par 4  
Yardage 321

A tee shot down the right side is the best on this hole. Avoid the bunker on the left.

Hole 6  
Par 3  
Yardage 190

This green is very undulated. Make sure you tee shot finishes on the correct level of the green.

Hole 7  
Par 4  
Yardage 321

This is a short hole that can be difficult. Some players can reach the green off the tee. Even so, an errant tee shot can cause lots of trouble. The smart shot is to lay up off the tee.

Hole 8  
Par 5  
Yardage 476

Keep this tee shot down the right to avoid the creek on the left. Some players will choose to go for the green in two. Be careful as that shot or laying up can be dangerous. Both are hit to a tight landing area with water down the left.

Hole 9  
Par 4  
Yardage 449

This hole requires a precise tee shot. There is water down the right and a bunker on the left. The water runs down the entire right side of the hole.

Back Nine:

Hole 10  
Par 4  
Yardage 427

The opening tee shot of the back side needs to be to the right. The approach to the green should not come up short right, as that is the most difficult place to get it up and down.

Hole 11  
Par 5  
Yardage 486

Hit your tee shot down the left side of the fairway to leave an open approach to the green. This par five can be reached in two.

Hole 12  
Par 4  
Yardage 300

If you are a long hitter take a shot at the green. If not, hit a club off the tee that will leave you about 120 yards from the green.

Hole 13  
Par 5  
Yardage 549

Keep this tee shot down the right side of the fairway. The lay up should be hit far enough right to avoid interference from the trees that come out from the left side.

Hole 14  
Par 3  
Yardage 191

The tee shot for this hole should be kept to the right.

Hole 15  
Par 4  
Yardage 395

This tee shot needs to be placed left of the waste area.

Hole 16  
Par 4  
Yardage 325

Play your tee shot to the right side to avoid the waste area. The driver may not be the club of choice on this hole. If you can hit it far enough, you may be able to drive the green.

Hole 17  
Par 3  
Yardage 175

Avoid the bunker at all costs. Also, don't hit the ball over the green.

Hole 18  
Par 4  
Yardage 415

This tee shot should be played to the right to avoid the water on the left. Don't go too far though as there are also bunkers down the right.
