

Where in GA is Carmen Sandiego?

Carmen Sandiego, international super thief, has made her way to Georgia, and it is up to our Homeschool Eco-Explorers to help stop her! Come join our 2022-2023 monthly homeschool program where each month for seven months we will explore a different habitat of Georgia. Through hikes, experiments, activities, and investigation, we will uncover the secrets of Georgia's wildlife.

Homeschool Program

Grade/Age: 3rd- 7th grade students (ages 8-13)

Time: 9:30am – 1:30 pm (Students bring their own lunch.)
