

This historical park features a log fort built in 1792 by settlers for protection against Creek and Cherokee Indians. Located between Atlanta and Athens, Fort Yargo offers a fun camping, hiking and fishing experience for families. The park surrounds Marbury Creek Reservoir, a 260-acre lake with a swimming beach, fishing areas and boat ramps. Many campsites and yurts are near the water's edge, and hiking/biking trails follow the lake shore. Camp Twin Lakes is an accessible facility located inside the park which is designed for challenged populations but closed to the public; for more information call 770-867-6123.
