

Thank you for scheduling an onsite program with Hardman Farm State Historic Site. We are excited you have chosen the park for your historical education experience.

In cooperation with our programs, please read the following and check each box.

I understand that:

- 1. At least one adult will be present throughout the entirety of the program, and that adult is responsible for attendee behavior.
- 2. Chaperones who are not school-sanctioned, or who have not arrived at the park on the school bus, need to pay the park's \$12 admission fee.
- 3. Chaperones are expected to participate in activities.
- 4. Students are only allowed in the Visitor Center and all other site buildings only if a chaperone is with them. (Bathrooms are inside of the Visitor Center.)
- 5. If your organization must cancel for any reason, let us know as soon as possible - we will be happy to reschedule. Re-scheduling a program is subject to date availability.

After completing the above, please make sure that the information on the second page is correct, then sign and date the bottom of the page and return the reservation confirmation to the following:
